Striving to Restore a Public Place

Marion's Music Hall Relies on Local Support

Just one year ago this weekend, the Marion Music Hall Study Committee — formed and given charge by the Marion Board of Selectmen the previous February — released their final report recommending the preservation of the historic structure on the corner of Front and Cottage Streets and offering suggestions for its continued use.

Not surprisingly, the committee recommended that the building continue to be used for "recreational, musical, and educational events for the entire population" and not be relegated to a "museum or repository of historical artifacts," despite its own place in Marion history.

Given to the Town of Marion from the estate of benefactor Elizabeth Taber, the 5,770-square-foot building can accommodate some 140 persons in the main hall. As Ms. Taber specified that the building be used as "a lecture and music hall for the use of the inhabitants of (Marion) village," the Music Hall Study Committee remained true to her wishes.

The building was built in 1891, and the executors of Ms. Taber's estate turned the facility over to the Trustees of the Marion Library Association in 1892. At the Annual Town Meeting held on January 23, 1936, the Library Association voted to turn the Music Hall over to the Town of Marion.

After several years of use, the building was sporadically repaired and maintained until 1947, when the town agreed to allow the Benjamin D. Cushing Post 2425 Veterans of Foreign Wars (VFW) to make repairs to the game room in the basement. The following year, the Board of Selectmen entered into an agreement with the VFW to allow them to use the Music Hall exclusively as their main facility subject to the town's using the whole or part of the building at any time.

The hall has mostly been used by the VFW for meetings and functions since that time. The VFW uses the main hall on the first, third, and fourth Monday evenings of the month, and also meet in the lounge on every second Monday of the month.

The Ladies Auxiliary of the VFW also periodically uses the hall, as does the U.S. Coast Guard Auxiliary Flotilla, the Cub Scouts, the Friends of the Elizabeth Taber Library, and St. Gabriel's Youth Fellowship.

The Study Committee report mentioned the fact that these groups who have used the hall on a regular basis should continue to do so — but the committee was, however, hopeful that other town organizations would start taking advantage of the available space (i.e. Marion Council on Aging, Girl/Boy Scouts, Sippican Historical Society, Marion Art Center, Globe Theater Troupe of Rochester, Marion Recreation Committee, Sippican Choral Society, and Marion Town Band, to name a few).

As a result, last week some members of the VFW Post 2425 took issue with what has become a somewhat negative public perception of their organization during a meeting with the Board of Selectmen.

VFW member Joseph Zora stressed that his organization has always made the Music Hall available to the public since first taking over the stewardship of the facility in 1947, and the public's view that the VFW is hoarding the facility is totally inaccurate.

"When people contact us to use the Music Hall, we're always willing to help them," he said. "We've only refused three or four groups that weren't non-profit."

During the meeting, Selectmen Chairman Loretta B. Schaefer said the board would like to open up the Music Hall for everyone's use, which Mr. Zora took to mean the VFW had not been doing so.

"All anyone has to do is contact us if they want to use the hall," Mr. Zora said. "We're always available ... but we can't force people in there with a stick."

Though a simple lack of communication seemed to be the cause of the friction between the board and the VFW, both agreed that the

preservation of the Music Hall was their first priority.

"I've always said, if the VFW's moving out with save the Music Hall, we'll pack up tomorrow," Mr. Zora said. "I don't want to see it come to that, but we're just as concerned about saving it as everyone else."

Over the past year a variety of fund raising efforts have been waged to help restore and renovate the aging structure. Water damage to the roof and some cracking and splintering of the exterior brick work needs to be repaired to give the building a new lease on life — not to mention the impending need for handicap accessibility to make the hall a center for public functions.

An Auction to benefit the Music Hall Restoration effort in Marion will be held on Sunday, October 2 between 3:00 and 5:00 pm, with a preview beginning at 2:00 pm inside the historic Music Hall on the corner of Front and Cottage Street. Admission is FREE.

Donations are encouraged and welcomed to be bid upon. If you have any suggestions, questions, donations, or need an item picked up, please call Pat Gautreau (748-0896), Ann Washburn (748-0791), or Chris Hingston (748-2461). Both items and services can be donated for the auction. Joe Thompson will be the auctioneer.

This event will hopefully give people an opportunity to have some fun, bid on something special, and, more importantly, help save an historic Marion landmark whose future relies heavily on public support.

Open House in Brockton on September 28.

Michael T. Huguenin sent correspondence requesting permission to open scalloping for family shellfish permit holders before the November 1 opening of the regular scallop season. Selectman Mahoney, after speaking with Marine Biologist Greg Sawyer of the Division of Marine Fisheries, recommended that the scallop beds remain closed to all until the November 1.

Brian Nunes, Shellfish Constable, received a letter from Mr. Sawyer informing him that the DMF recently sampled seven locations throughout the harbor and Brandt Island Cove. This sampling discovered that a large amount of vegetation consisting of eel grass and algae has prevented the growth of adult scallops. Therefore, "it does not appear Mattapoisett will have a productive scallop season," he said.

SRPEDD will hold a Joint Transportation Planning Group meeting on Wednesday, October 5 at 6:00 pm at the GATRA Maintenance Facility on Oak Street, Taunton.

Superintendent of Schools Joan Walsh expressed her sincere appreciation for the cooperation of town employees with regard to the facilitation of the opening of the high school during its recent extensive renovations.

Notice was received that the term of Commissioner for Plymouth County Mosquito Control Project expires on November 30. The current Commissioner, Carolyn Brennan, wishes to be reappointed. The board then motioned to reappoint Ms. Brennan.

The board next determined that Mr. DeCosta will be attending the Plymouth County Selectmen's Association Meeting to be held October 13 at 6:30 pm at

The board also agreed to schedule a meeting this Friday with Highway Surveyor Wesley Bowman regarding Chapter 90 funds.

Selectman Mahoney reported that following his meeting with Joseph Costa of the Buzzards Bay Project (BBP), Mattapoisett should aggressively look into attaining grant funding through the Stormwater Remediation Project. "There is real money there," said Selectman Mahoney. The board will set up a meeting with the appropriate department heads to discuss the needs of the town under this program.

At 7:30 pm the board met with Water/Sewer Commissioners Donald Wood and Cliff Tripp and Water/Sewer Superintendent William T. Nicholson.

Mr. Nicholson reported that two ongoing projects — the replacement of the North Street sewer line and the extension of the sewer line just east of Ned's Point Road and along Marion Road — have been unsuccessful thus far in attaining funds. The previous appropriations granted by the state for the North Street project no longer exist. "It's all dried up," said Mr. Nicholson.

One alternative, however, is a low interest loan of 1.5 percent offered by Department of Environmental Protection (DEP). This loan, payable over a twenty-year period, would allow for the construction of the sewer — which will cost approximately $240,000 — with the money being borrowed at a low annual payment. The board will be looking into drawing up an article for the Special Town Meeting on this issue as well as discussing with Mr. Costa of the BBP to assess possible funding from the Stormwater Remediation Project.

The extension of the sewer line will include parts of Ned's Point Road, Old Marion Road, Tupula Lane, Baker, and Channing. At this year's Special Town Meeting, an article will be presented to the town requesting funds to develop engineering plans for the project. This funding, through the DEP, can also be borrowed at a 1.5 percent rate over a five-year period.

At 8:00 pm, the board met with Mattapoisett School Committee members Mike Whalen, Peter Hodges, and Chairman Andrew Lynch. The boards continued their previous discussion regarding the formation of a building needs assessment and planning committee to address the issues of the over population of Old Hammondtown School and Center School and possible resolutions.

After some discussion, it was decided that a committee should be formed and their focus will be on Phase 1 and Phase 1.5 as previously drafted by the Building Needs Assessment Committee and presented at the 1993 Annual Town Meeting.

Phase 1 includes the building of four additional large rooms along with three smaller rooms along Old Hammondtown's east side. Phase 1.5 includes the building of seven additional large rooms and three smaller rooms.

The boards will meet at a later date to discuss

After approving the minutes of the September 20 meeting and signing the treasury warrant for the week, Chairman Schaefer asked for a moment of silence in memory of Bruce T. Hiller, a town resident and local fire fighter for some 40 years, who recently passed away.

The board then signed and approved the warrant for the Special Town Meeting to be held on Tuesday, October 25. Chairman Schaefer noted the date had been changed to accommodate the Town Moderator. The warrant will include four articles for consideration.

Chairman Schaefer noted receipt of a letter from Superintendent of Schools Joan M. Walsh, citing the fact that Diane Bondi-Pickles had been elected to serve as the School Committee representative on the Educational Fund Committee. The board unanimously voted to appoint Ms. Bondi-Pickles to said position.

Under incoming correspondence for the week, the board received a copy of the notification from Camp, Dresser and McKee, Inc. to the Department of Environmental Protection (DEP) advising them that the Town of Marion is in the process of constructing an Ultraviolet Disinfection Facility. Mr. Pickles noted that the DEP is aware that the town is on the non-compliance list, but they also know that the UV Disinfection Facility is in the works.

K. Morton D. Hooper, Senior Warden of St. Gabriel's Episcopal Church, next sent a request to the board to consider posting two-hour parking limit signs along South Street from the corner of Front Street to the entrance of the parking lot used by David Titus' law firm.

Selectman Dickerson said he was opposed to such a measure, as there are several residents along that

The board agreed to send a response to Mr. Hooper advising him of this fact.

The State Department of Food and Agriculture then sent notification to the board that the Plymouth County Mosquito Control Project Commissioner, Carolyn Brennan, is up for re-appointment on November 30. If anyone wishes to send comments or nominate other

candidates, they should contact the department within 21 days of this notice.

Lastly the board received a copy of a waterways license application from the Piney Point Roads Trust, c/o Coast Line Engineering, Inc., to maintain an existing pier, ramps, floats, and stone rip-rap at Landing Road; and also notification from the state Executive Office for Administration and Finance, advising the board that a sale of surplus Commonwealth vehicles will soon take place.

Selectman Dickerson asked that a copy of the latter be sent to Harbormaster George Jennings, as he had previously inquired about the purchase of a truck for his department.

Resident Al Cordeiro of Edgewater Lane briefly addressed the board to ask about the status of a possible sewer system for Stoney Run Lane and Edgewater Lane which was brought to their attention last spring via petition. Mr. Cordeiro noted that the residents were told an estimate would be prepared by September, yet he had seen no engineers at the site.

"We just received a faxed estimate this morning on the project," said Mr. Pickles. "They'll have to be reviewed by the DPW Superintendent before we make a final decision, and then we'll send a letter to the abutters sometime next week."

Horace Kenney advised the Selectmen that the Planting Island Causeway has become "a real disaster." Mr. Kenney noted that due to the increased rainfall over the past week, the causeway has become nearly impassable. "It's worse than it ever was," he added. Chairman Schaefer said that when the rain breaks, the DPW should be advised to grade some of the causeway surface to alleviate this problem.

At 7:30 pm, Conservation Commission (ConCom) Chairman Dennis Luttrell and Resident Engineer John Rockwell met with the board and a group of residents who abut Holmes Brook to discuss a pending clean up project for the watershed area.

"The Conservation Commission has realized that there is a serious pollution problem in Holmes Brook," said Mr. Luttrell. "Many of the shellfish beds have been closed due to contamination ... most of which has been caused by stormwater runoff via Holmes Brook."

In 1993 the Buzzards Bay Action Committee (BBAC) applied for a grant to alleviate this problem, but was turned down. This year, the Department of Environmental Protection (DEP) has recommended funding for the project, with pending approval from the EPA. Mr. Luttrell feels the project has been readily supported because of its educational and community-oriented approach.

"We have packaged the project as something of an outdoor classroom," he said, "while asking for input from the community as to how they want it resolved."

Since a portion of the brook runs close to Sippican School, elements of the various environmental issues surrounding runoff contamination and possible

solutions to this problem will be used to educate the students. Mr. Luttrell sees the project as a perfect "before and after" example.

Since the watershed area which now flows directly into Holmes Brook has increased from 63 to 109 acres, the amount of contamination has likewise increased. During a slide show presentation, Mr. Rockwell noted that there has been a 200 percent change in runoff saturation into Holmes Brook with the advent of development within Marion village. Today, the peak flow into the brook is a whopping 530 percent.

To rectify the problem, the project would establish a series of retention basins along the length of

the brook — some of which will abut or cut into private property — to help filter out the contamination. Instead of allowing the basins to become overgrown with weeds and underbrush, the plan also entails the planting of aesthetically-pleasing vegetation, all of which can be of the residents' choosing.

"A lot of this will be done on private property," Mr. Rockwell said. "People can participate if they want to, but they don't have to. If they do, they can select what type of vegetation they want."

Some residents had realistic concerns about the project — among them: increased mosquitoes, overgrown vegetation, and the potential for a child drowning. But these individual issues will all be addressed prior to putting the final plans in motion. "It will take at least two years to complete," said Mr. Luttrell. "But we'll be glad to work with you every step of the way."

Chairman Schaefer also advised the residents to consider supporting a similar project at Sprague's Cove which is slated to appear on the October 25 Special Town Meeting warrant. "There is a direct link to what happens (at Sprague's Cove) and what we're considering for (Holmes Brook)," she said.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 8:36 pm.

Rochester Selectmen's Meeting

September 26, 1994

By Bethany Morgan

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, September 26 at 7:00 pm by Chairman David L. Hughes. Also present were Selectman Lorraine Roy Hawkes, Selectman Michael Murphy, and Administrative Secretary Shirley A. Ferreira.

After approving the minutes of the September 19 meeting, the board appointed David True to the Mattapoisett River Valley Water Protection Committee as a Board of Health representative with the term to expire April 30, 1995.

The board next approved an invoice from Kopelman and Paige, P.C. in the amount of $1,184.07 for legal services rendered.

Under incoming notices for the week, the board cited that Selectman Murphy will be attending the October 5 meeting of the Plymouth County Advisory Board.

At 7:10 pm the board met with Plumbing Inspector Roger Bolduc to discuss problems regarding the timeliness of inspection performances. Chairman Hughes asked Mr. Bolduc to clarify his procedures for when he is unavailable. During Mr. Bolduc's recent three-week absence, those seeking his services were not made aware of an alternate's availability.

Consequently, Mr. Hubbard of Old Colony Regional Vocational Technical High School was being pressured by the Commonwealth for an inspection report. Mr. Bolduc regrets not having informed his alternate that his absence would make him responsible for the inspections. "It's just one more unfortunate incident," he said.

Mr. Bolduc and the Board agreed to establish an active file with the alternates' telephone numbers and to devise a method for informing those who want to contact Mr. Bolduc directly — as opposed to contacting Town Hall — of his unavailability, along with presenting an alternate. Selectman Murphy reminded Mr. Bolduc to leave notification indicating he'd performed the inspection as well.

The board next received a letter from Mary A. Carney of Shawmut Bank stating: "Given the fact that the interest rates on short term notes has already risen above 4.00 percent, and the Town can legally invest the remaining proceeds until it is required, it is unlikely that

this loan practice has cost the Town or the taxpayers any additional expense."

Due to the findings of the Operational Review performed by Anthony Lamb of Roderigues, Guckin & Tobojka, the town has approximately $15,000 in unpaid ambulance and police detail charges. Once a detailed accounting of the parties responsible for the debts, the board will seek the assistance of a collection agency. In preparation for this, the board voted to increase the ambulance fee from $75 to $100 as of October 1.

Regarding the companies' outstanding fees for police details, the board will be seeking the advice of Legal Counsel to see if it can delay the signing of permits until the balance is paid.

The board received a memo from Todesca, Inc. stating they will start the repaving and repairs to the Town Hall parking lot at their earliest convenience. Chairman Hughes suggested the board write a letter to Todesca requesting to pave the handicapped section of the parking lot belonging to the Congregational Church.

At 7:30 pm, the board met with the Rochester School Committee and Andrew Santos, Financial Administrator for the ORR School District, to discuss a bill in the amount of $26,558 from Com/Electric. The committee is requesting permission to seek Legal Counsel regarding the bill.

In June of 1993 Com/Electric made repairs to the transformer that supplies power to the Rochester Memorial School. During the repairs, a metering current transformer was inadvertently reversed. As a result, a significant amount of data was not picked up by the meter and the school was underbilled from that point on.

The School Committee is disputing the extent of the Town's responsibility for the bill, because the mistake was made on the part of Com/Electric. The board granted permission for the committee to seek Legal Counsel in this matter.

The board then, at the request of Dog Officer Tom Medeiros, said they would be looking into the formation of a revolving account for kennels and the like to harbor stray animals picked up in town.

Police Chief Walter V. Denham next sent a letter to the board regarding management courses being offered through Babson College. The board will be meeting with Chief Denham at a later date to discuss this matter further.

Chairman Hughes noted that, at this point, the town does not have a representative for this Saturday's SEMASS Run for the Environment. "I'll run myself if I have to," he said. "I'll be right there with the oxygen tank for him," agreed Selectman Murphy.

Anyone interested in representing the town should contact Town Hall prior to the Saturday (October 1) event.

Benefit Softball Game in Mattapoisett

A Softball Game between the Mattapoisett Fire Department and Mattapoisett Police Department was held on Sunday, September 25 to benefit town resident Lindsey Steele, who was recently diagnosed with leukemia.

The seven-inning regulation game was kicked off at 12:00 noon at Old Hammondtown School, with the Police finding themselves down 10 to 4 after 5 innings. By the time the exciting game had climaxed with the final seventh inning, the two departments were tied, 10 to 10, forcing an extra two innings to be played.

Finally, in the bottom of the ninth inning, the Police Department scored a home run, just beating out their counterparts, 11 to 10.

would like to thank the School Committee for use of the field, John Shockro for use of the equipment, the umpires: Paul Lambalot, Eric Lawrence and Kevin Healy, along with the official scorer, Bob Marklin, for their assistance in this fund raising effort.

Local Educator Appointed to Committee

Robert C. Gardner, Principal of Old Rochester Regional Junior High School in Mattapoisett, has been appointed to a one-year term as Chairperson of the National Association of Secondary School Principals (NASSP) Committee on Middle-Level Education.

The seven-person committee works on improving learning opportunities for students and professional development for middle-level school leaders. NASSP is the nation's largest school leadership organization, representing 42,000 middle-level and high school principals and assistant principals and university professors.

The Mattapoisett resident believes educational reform is the major challenge to education in Massachusetts.

"The need for reform leaders to clearly understand and articulate the connections between societal problems from which reform emanated and the school changes which they are proposing is imperative,"

Mr. Gardner said. "Clear understandings of the nature of the programs and types of schools being advocated must be provided for everyone charged with the responsibility of creating these schools."

Highlights of the 37-year education veteran's career includes high school English teacher, high school coach, and junior-senior high school assistant principal. He became the ORR Junior High School Principal in 1971. A 1957 Boston University graduate, Mr. Gardner later earned a Master's degree in education in 1968 from the University of New Hampshire.

The Machacam Club

The Machacam Club will hold its next meeting on Wednesday, October 5 at the American Legion Hall on Depot Street in Mattapoisett. Social hour will be at 5:30 pm, with dinner service beginning at 6:00 pm.

The speaker this month will be Harold Nye, past crew member of the Battleship Massachusetts. Harold has remained very active with the Battleship Memorial and will bring us up to date on the current condition of the vessel and its continuing role as a World War II memorial.

Callers are reminded to report their lists no later than 9:00 pm on Monday, October 3. Last minute changes or reservations may be made by calling Mike Lamoureux at 758-9311.

Sippican Seniors

The October meeting of the Sippican Seniors will be held at 1:30 pm on Friday, October 14, at the VFW Pavilion in Marion. Following a short seminar by financial planner David Keefe from the New York Life Insurance Company, a parade of those in Halloween costumes will take place with prizes awarded for the funniest, most original, and others. Join the fun and wear a costume.

Refreshments will be provided by Veronica McGee and Ruth Selig and their committees. At the September meeting, flowers on the refreshment table were won by Veronica Cusick.

Tickets are now available for the Christmas Party to be held on Friday, December 9 at the Riverside in Middleboro. The price is $10 for member and $14 for guests.

The Senior Drop-In Center in the Congregational Community Hall offers bridge on Tuesday (Doris Tortora, 295-2786) and Thursday (Bob Bunnell, 748-1603). The second and fourth Tuesdays are scheduled in various members' homes. Also offered are Whist Parties at 1:00 pm on the second and fourth Tuesday of each month. Contact Natalie Sullivan at 748-1467.

The Executive Board will meet at 9:30 am on Monday, October 10 at the Drop-In Center.

Adopt A Greyhound

Every year thousands of racing greyhounds are put to sleep needlessly. Many of these are young dogs under the age of three whose only crime is not being fast enough. Few people realize that these loving, gentle dogs make excellent family pets.

Greyhound Pets of America, a local organization devoted to saving these beautiful animals, has numerous young dogs available for adoption right now. For more information, please contact Brenda at 763-2357 or Kathy at 947-3654.

Mattapoisett Woman's Club

The Mattapoisett Woman's Club regular Executive Board meeting will be held on October 13 at 9:30 am at the home of Florrie Smith. Please call 758-3410 if you cannot attend.

An afternoon of monologues, short stories, and poetry presented by Dotty Kelleher Vartabedian will be the entertaining program of the October 20 meeting of the Mattapoisett Woman's Club which will be held at 12:00 noon in the Congregational Church Parish Hall on Church Street. Guests are always welcome.

Marine Mammal Study in Marion

A study of marine mammals titled "Life History of Our Local Marine Mammals" will be presented at the Marion Natural History Museum on three consecutive Thursdays — October 27 through November 10 — from 7:00 to 8:30 pm. The instructor for the course will be Karen Moore Dourdeville, a Marine Biologist in Whale Acoustics at the Woods Hole Oceanographic Institute.

The evening course will study marine mammals off the New England coast, as well as species found in other waters, and will include a discussion on habitat requirements and population status. Slides and underwater sound recordings will augment the lectures and discussions.

Fee for the course is $25 for museum members, and $30 for the general public. Preregistration is required by October 15, with a minimum of 10 participants necessary to confirm the class. Please call 748-2098 or 748-9089 to register or for further information.

Rochester Bowling League

The Rochester Bowling League met at the Bowlmor Lanes in Mattapoisett on September 21. J. Dubrowski set a new high triple of 437 to lean Beaton Cranberry to a two-point victory over Boulevard Funeral Home. Al Pepin was tops for the morticians with a 388.

The Bowling Stones (Dan Schroth, Jr. with 367) were rocked for three points by a consistently strong effort on the part of Hartley Sawmill and Bob Dexter's 172, 420. Ben Towns (157, 413) paced the house team in a two-point win over Walt Shepard (378) and his Sturtevant and Hook dynamos.

Local Ducks Unlimited Fundraiser

The Sippican Committee of Ducks Unlimited will hold its annual banquet at the Seaport Inn in Fairhaven on October 14 at 6:00 pm. "The Ducks Unlimited success story is really starting to spread," said committee chairman Paul Magee. Local Ducks Unlimited fundraising events held throughout the country last year contributed towards Ducks Unlimited's national fund raising effort of $58.7 million during 1992 alone. "But what's even more important to realize," Mr. Magee said, "is that this national fundraising total must increase this year if the North American waterfowl habitat race is to be won."

acres of wetland habitat. Since its inception, Ducks Unlimited has raised over 750 million dollars to enhance and restore 6.2 million acres, encompassing over 10,000 wetland projects, in an effort to reverse this destructive trend. DU's projects provide habitat for over 600 wildlife species, including ducks, geese, and endangered species like the whooping crane and bald eagle.

While DU has accomplished a great deal since its founding in 1937, the rapid draining of our wetlands demands that the organization continue to accelerate its work. Efforts like those of the Sippican committee are a vital part of DU's efforts.

For information on how you can support Ducks Unlimited's program of wetland conservation, contact Paul Magee at 758-4527 for tickets and further details.

Mattapoisett PTA

The Mattapoisett PTA is having an Open House at Center School on Tuesday, October 4 from 6:30 to 7:15 pm. The evening is for all old, new and prospective PTA members of the community to enjoy an informal reception for our new Old Hammondtown School Principal, Bob Rosenblatt.

Refreshments will be served during this wonderful opportunity for anyone interested in supporting the PTA to come and meet the various board members. Community members will also be able to meet Mr. Rosenblatt and hear about his many exciting plans for the new school year. The regular October business meeting will start at 7:15 pm, with everyone invited to stay and become involved in this very vital part of Mattapoisett.

Adoptable Animals

This week, Animal Umbrella would like to feature an adorable pair of long-haired tortoise-shell calicos. These kittens are siblings, about 12 to 14 weeks old. They have been vet-checked and vaccinated.

Also available this week is a gorgeous buff-colored striped male, four months old, who is very lovable and needs a home badly since his sister was adopted this week.

In the kitten category, the group is offering several short-haired tigers, both male and female, some with double paws. Also, one all-black long-haired with orange eyes who's a real love and three orange tiger males and a long-haired calico.

A special plea to cat lovers out there: we have an adult all-black short-haired cat who recently underwent surgery and desperately needs a quiet place in which to recover. If anyone can foster care this cat until adopted, it would be greatly appreciated. She is a sweet lady, but is not happy with other cats around at this time.

If you'd like to find out more about the latest animals up for adoption, or if you would like to adopt any of our offerings here, please call one of the local Animal Umbrella representatives:

- Mary Lou at 994-6168
- Diane at 997-4037
- Priscilla at 758-2896.

Available from Marion are two gentle, loving stray dogs who need a good home. One is a medium-sized mix breed female with a fabulous personality. The other is a gentle-natured German shepherd with excellent markings. If interested in either, please call 763-5748.

Also in Marion: FREE kittens are available to anyone willing to provide them a good home. Please call 748-0953.

From our lost and found bin — lost: a 13-year-old dark tiger from the Homestead Court area in Mattapoisett (please call 758-2601) and a gray tiger with white highlights lost in the Park Street area of Mattapoisett who answers to the name "Tuffy Tom" (please call 758-2896).

McDonald and Judy Kleven will start a three-week series on the story of Anglicanism, the history of our church, during the adult forums being held immediately after the 10:00 am service.

The first Kerygma Bible Study session will meet on Wednesday, October 5 at 7:00 pm. This is a thirty-week program conducted by the Rev. Woodroofe. Also during the week, St. Gabriel's will host the Clergy Family Network consisting of clergy and their spouses from the Cape and southeastern Massachusetts.

This weekend the Senior Choir will go on retreat at Briarwood with an overnight stay from Saturday into Sunday.

Betsy Duncan is still collecting toys for Fair Noel. This is one of our most successful outreach programs. Toys may be brought to the church any weekday between 9:00 am and 1:00 pm. They will be repaired by Betsy and her loyal volunteers.

Services on Sunday, October 9 will include Holy Communion at 8:00 am in the Chapel and Family Eucharist at 10:00 am in the Church. This last differs from the normal schedule because the Senior Choir is on retreat and the choral program will be handled by the Junior Choir.

OVER OR UNDER SPENDING

Some people spend more than they can afford when buying a house. Equally painful is the mistake of buying the cheapest possible house and then suffering through its shortcomings.

I have no intention of stating how much anyone can afford for a house. This is a very personal decision. There are guidelines of monthly averages that lending institutions use for housing expenses. But - like the "height/weight' charts printed on scales these are only averages.

Don't hold back if you feel you can exceed the guidelines. When you are willing and sufficiently disciplined to economize on other expenses, you can get a better house than the average calls for. A good house may seem costly, but the rewards are well worth it. Investing in a house that's a little more expensive gives you an excellent inflation hedge while your whole family enjoys a better place to live. And often, the resale opportunity is brighter.

Call **Bob** at **Fisher & Rocha, Inc., 758-6738** or stop in at our office at 17 Fairhaven Road, Mattapoisett. **We're here to help!**

Friends Meeting Benefit Auction

In 1925, a total eclipse of the sun occurred in parts of New England, including Fairhaven and as far east as Mattapoisett. The eclipse wasn't quite total in Wareham.

George L. Tinkham of Rochester compiled a scrapbook of the celestial event that occurred on January 24 in that year. That scrapbook and other paper collectibles from Old Rochester and Fairhaven will be included in the 375-lot October 29 benefit auction at the hall of the Mattapoisett Friends Meeting (Quaker).

The auction is confined to paper collectibles only and will begin at 9:00 am.

In addition to the scrapbook, lots of particular interest to Fairhaven and Old Rochester collectors will include:

• Two signed letters from Mattapoisett whaleship builder Wilson Barstow, dated 1838 and 1840.

• Thirty different Keyes postcards of Marion, Wareham and Onset.

• A 1934 edition of *Lands of Sippican*, signed by author Alice Austin Ryder.

• A lot containing correspondence of the Akin family of East Fairhaven, including 19 Civil War letters written by Henry F. Akin, most of them while he served in Louisiana from 1862 to 1864.

• One lot containing 50 Fairhaven postcards, including sixteen by Hutchinson, a 1908 card of the Atlas Tack works and a real photo card of a steam yacht at Kelley's Marine Railways.

• Several lots of papers of Cyrus E. Clark of North Fairhaven (now Acushnet), including his appointment as North Fairhaven postmaster in 1831.

• Thirty-eight manuscript pages believed to have been written by Rodolphus Swift of Acushnet in 1895, including 24 pages of reminiscing about narrow escapes as a whaleman in the 1820's and 1830's.

The 375 lots feature more than 10,000 postcards, ephemera relating to whaling, the Civil War, Quakers, anti-slavery, Southeastern Massachusetts history, maps, documents, and 18th century collectibles. There will also be old newspapers and magazines, postal history, books and autographs.

The autographs include three U.S. Presidents

A powerful prayer to the Holy Spirit -
Holy Spirit, you who solve all problems, who light all roads so I can attain my goals, you who give me the divine gifts to forgive and forget all evil against me, in this short prayer, to thank you for all things and confirm once again that I never want to be separated from you, even in spite of all material illusions. I wish to be with you in eternal glory, thank you for your mercy towards me and mine. The person must say this prayer for three consecutive days. After three days, the favor requested will be granted, even if it may appear difficult. This prayer must be published immediately after the favor is granted without mentioning the favor. Only your initials shall appear at the bottom. L.M.

A PRAYER TO THE BLESSED VIRGIN
O most beautiful flower of Mount Carmel, fruitful vine, splendor of Heaven, Blessed Mother of the Son of God. Immaculate Virgin assist me in my necessity. O Star of the Sea, help me and show me here you are my mother. O Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to secure me in my necessity (make request). There are none that can withstand your power. O Mary conceived without sin pray for us who have recourse to thee (3 times). Holy Mary, I place this cause in her hands (3 times). Say this prayer for three consecutive days and then you must publish; it will be granted to you. H.B.C.

Scouting are encouraged to return these flyers to their school. Girl Scout membership dues, which are $6 annually, will be collected at the first troop meeting.

Girl Scouting offers a wide range of activities focused on the needs and interests of girls. Through Girl Scouting's contemporary programs, girls develop self-esteem, make new friends, and become a vital part of their community.

"This year troops throughout the nation will be involved in the national service project, Health and Fitness," said Carolyn Mayo-Brown, Executive Officer of the Plymouth Bay Girl Scout Council. "Around the theme of 'Be Your Best,' girls in our area will undertake interesting activities designed to keep them healthy, build positive images, and improve overall safety and well-being."

Adults are also needed to volunteer in several capacities. Girl Scout troop leaders, consultants, and guest speakers are just some of the many volunteer positions available to both women and men. For additional information about Girl Scouting, please call the Plymouth Bay Girl Scout Council at 1-800-242-0925.

Community Blood Drives

Recognizing the ongoing need for blood and blood products in Wareham and surrounding communities, the American Red Cross will join forces with Tobey Hospital to co-sponsor a monthly Blood Drive. The drives will take place from 3:00 to 8:00 pm on October 19, November 23, and December 21. The drives will be held in the Tobey Community Building on High Street in Wareham.

Please help area patients by scheduling an appointment to donate blood. Blood donations can be made every eight weeks. Remember, blood is not manufactured — the only source for blood is healthy community members.

Appointments are encouraged. To schedule a convenient time, please call 1-800-258-0025, extension 2086. Or for more information, call June Chamillard at the
